Coconut milk candy is a delicious treat made primarily from coconut milk, sugar, and sometimes additional ingredients like shredded coconut, vanilla, or even pandan for added flavor. This candy has a rich, creamy texture and a naturally sweet, tropical flavor that's both satisfying and unique.

There are different variations around the world. In some cultures, it's made into soft, chewy bites, while in others, it might be prepared as hard candy or even in the form of bars. Coconut milk candy is often enjoyed as a snack or dessert and is popular in many tropical regions, thanks to the abundance of coconuts.
