Product Description

Customizable Wholesale Chili Lime Seasoning Mix

Product Overview

Our Customizable Wholesale Chili Lime Seasoning Mix is a premium powder seasoning designed for B2B clients, featuring a perfect balance of zesty lime freshness and bold chili heat with rich savory notes. This versatile seasoning offers full customization options for flavor intensity, heat level, ingredient ratios, and packaging design. We provide free samples for testing before bulk ordering, ensuring complete satisfaction. The fine powder form integrates seamlessly into various food systems, making it ideal for food manufacturers, caterers, retailers, and distributors.

Key Features

- Fully Customizable:** Adjust chili heat (mild to extra hot), lime intensity, savory notes, and ingredient composition to match your brand preferences
- Wholesale Focus:** Competitive bulk pricing, stable supply capacity, and flexible minimum order quantities
- Authentic Flavor:** Harmonious blend of tangy lime and robust chili with deep savory undertones
- Free Samples:** Available for testing flavor, texture, and quality before bulk orders
- Fine Powder Form:** Smooth, uniform texture for easy mixing and consistent flavor distribution
- Food-Grade Quality:** Made from high-quality ingredients compliant with international food safety standards
- Custom Packaging:** Private labeling and custom packaging options available

Recommended Usage

This versatile chili lime powder seasoning is suitable for a wide range of applications. The recommended dosage can be adjusted according to your customization needs and specific food products. Usually 5-10% on finished product.

Application Scenarios

- Food Manufacturing:** Production of chili lime-flavored snacks, processed meats, frozen meals, sauces, and condiments
- Catering & Hospitality:** Seasoning for restaurant dishes, buffet offerings, food trucks, and catering services
- Retail & Private Label:** Custom-branded seasoning jars, sachets, or bulk packs for retail sales
- Food Distribution:** Bulk supply for distributors, wholesalers, and importers

Customization Process

- Sample Request:** Contact us to request free samples or discuss customization needs
- Specification Confirmation:** Work with our experts to finalize heat level, lime intensity, and packaging design
- Custom Sample Production:** We produce small-batch custom samples for your testing and approval
- Bulk Order Placement:** Confirm order quantity, delivery schedule, and payment terms
- Production & Delivery:** On-time production with strict quality inspection and safe delivery

Storage Instructions

Store in a cool, dry, well-ventilated warehouse away from direct sunlight, high temperatures, and moisture. Keep containers tightly sealed to prevent moisture absorption and flavor loss. Avoid storing with odorous substances. Shelf life is [XX] months under proper storage conditions.

Quality Assurance

Our chili lime seasoning mix is produced in a GMP-certified facility complying with ISO 22000 food safety standards. All raw materials undergo rigorous testing, and each batch is inspected for flavor consistency, purity, and safety. We guarantee every order meets your customization requirements and international standards.

Application	Food Flavouring
Executive Standard	GB 30616
Heavy Metals	Lead: < 5.0 mg/kg Cadmium: < 5.0 mg/kg Mercury: < 5.0 mg/kg Arsenic: < 3.0 mg/kg
Suggested Addition Amount	0.05%-0.15%
Main Composition	Flavouring substances, Natural flavouring substances, Edible Oil

Frequently Asked Questions

How can I request a free sample?

Simply contact our sales team via email, phone, or our website contact form, specify your sample needs, and we will arrange free sample delivery to your designated address.

What is the minimum order quantity (MOQ) for wholesale customization?

Our MOQ is flexible and can be adjusted according to your needs—from small bulk orders to large-scale production. Contact us to discuss the most suitable MOQ for your business.

Can you provide organic or gluten-free customization options?

Yes, we offer a variety of customization options, including organic ingredients, gluten-free, vegan, and allergen-free formulations. Just inform our team of your specific requirements.

How long does the customization and bulk production take?

Custom sample production takes 3-5 working days; bulk production takes 7-15 working days after sample approval and order confirmation, depending on order quantity and customization complexity.
