Applications

Savoury Flavour is a versatile seasoning perfect for elevating soups, stews, sauces, marinades, and dressings. Its herbal flavors work wonderfully with meats, vegetables, and salads, complementing various cuisines from Mediterranean to Middle Eastern traditions.

With Kosher and Halal certifications and allergen-free formulation, it's suitable for diverse dietary needs. The 12-month shelf life ensures consistent quality for both home kitchens and professional foodservice environments.

Frequently Asked Questions

What are the main ingredients of Savoury Flavour?

Savoury Flavour is made from a blend of natural herbs and spices, including garlic, onion, and various savory seasonings to enhance the taste of your dishes.

How should I use Savoury Flavour in my cooking?

You can sprinkle Savoury Flavour directly onto meats, vegetables, soups, or stews to add a rich, savory taste. It is perfect for marinating or as a finishing touch.

Is Savoury Flavour suitable for vegetarians and vegans?

Yes, Savoury Flavour contains only plant-based ingredients and is suitable for both vegetarians and vegans.

Does Savoury Flavour contain any artificial preservatives or additives?

No, Savoury Flavour is free from artificial preservatives, colors, and additives, ensuring a natural and healthy seasoning option.

How should I store Savoury Flavour to maintain its freshness?

Store Savoury Flavour in a cool, dry place away from direct sunlight and moisture. Make sure the container is tightly sealed after each use.
