#### Applications

The Savoury Flavour product is an exceptional addition to a wide range of culinary applications, designed to enhance the taste of dishes and elevate everyday meals to gourmet experiences. Its versatile nature makes it ideal for use in various food preparation scenarios, from home cooking to professional kitchens.

Thanks to its Kosher and Halal certifications, this product is suitable for diverse dietary requirements and cultural preferences. It works exceptionally well in hearty stews, sauces, marinades, soups, and seasoning blends, bringing out natural umami notes and intensifying overall taste profiles.

The product's unique formulation as a food flavouring allows seamless incorporation into various foods, particularly effective in meat dishes, vegetable preparations, and snack seasonings where rich, savory taste is desired without added sugars.

#### Frequently Asked Questions

##### What ingredients are used in Savoury Flavour?

Savoury Flavour is made from a blend of natural herbs and spices, including garlic, onion, black pepper, and a hint of smoked paprika to enhance the taste of your dishes.

**How should I store Savoury Flavour to maintain its freshness?**

To keep Savoury Flavour fresh, store it in a cool, dry place away from direct sunlight and moisture. Make sure the container is tightly sealed after each use.

**Can Savoury Flavour be used in vegetarian and vegan recipes?**

Yes, Savoury Flavour contains no animal products and is suitable for both vegetarian and vegan diets. It adds a rich and delicious taste to plant-based meals.

**Is Savoury Flavour suitable for people with gluten intolerance?**

Absolutely, Savoury Flavour is gluten-free and safe for individuals with gluten intolerance or celiac disease.

**How much Savoury Flavour should I use when cooking?**

We recommend starting with one teaspoon per serving and adjusting according to your taste preferences. It can be added to soups, stews, marinades, and more for a savory boost.
