## Product Description

### Premium Plant Extracts Overview

Our traditional plant extracts combine centuries of herbal wisdom with modern scientific validation. Derived from carefully selected botanical sources, these colorless acicular crystals preserve the natural essence and efficacy of traditional plant remedies.

**Key Specifications:** Shelf Life 24 months • EINECS 204-680-1 • 10:1 Pure Botanical Extracts • Suitable for Food Supplements and Cosmetics

### Product Features

- **Product Name:** Plant Extracts
- **Active Ingredient:** Lovastatin
- **Appearance:** Colorless Acicular Crystal
- **Taste:** Bitter
- **Odor:** Characteristic Plant Aroma
- **CAS Number:** 611-71-2
- Derived from traditional plant extracts ensuring natural quality
- Utilizes botanical plant extracts for enhanced efficacy
- Maintains purity and potency typical of traditional plant extracts

### Key Benefits

**Immune Support:** Bioactive compounds support the body's natural defense mechanisms, helping maintain optimal immune function and resilience.

**Versatile Solubility:** Available in both water-soluble and oil-soluble formulations for broad application across various industries.

**Quality Assurance:** Complies with European Inventory of Existing Commercial Chemical Substances (EINECS 204-680-1), ensuring stringent quality and safety standards.

### Applications

#### Skincare Industry

Ideal for creams, serums, lotions, and masks. Provides antioxidant, anti-inflammatory, and soothing effects for healthy, radiant skin.

#### Food Industry

Perfect for health supplements, functional foods, and beverages. Supports digestion, mental clarity, and overall vitality with traditional herbal benefits.
