Product Description

Cola Beverage Flavour Concentrated Liquid

Komesz Cola Beverage Flavour is a concentrated liquid flavouring that faithfully reproduces the classic cola taste profile used in leading carbonated soft drinks. This carefully balanced composition delivers the familiar deep, refreshing cola character that consumers recognise, while remaining fully water-soluble and easy to dose.

Key Features

- **Classic Cola Taste Profile:** Rich caramel and vanilla body with warm spice notes and sharp citrus top that reproduces familiar cola character
- **Concentrated Liquid Form:** Highly concentrated liquid that disperses instantly in carbonated water and syrup, delivering uniform flavour without clouding
- **Economical Dosage:** Achieves full cola flavour at low usage rate, helping control flavouring costs while maintaining authentic taste
- **Carbonation-Friendly Stability:** Retains aroma and taste under carbonation, pasteurization and cold-fill processes
- **Food-Grade & Certified:** Produced under ISO22000 quality management with HACCP, KOSHER and HALAL certification available
- **Customizable (OEM/ODM):** Caramel intensity, sweetness and spice balance can be adjusted to match your target recipe

Technical Specifications

Parameter	Specification
Product Form	Liquid form
Appearance	Colorless to light brown clear liquid
Solubility	Water soluble
Recommended Dosage	0.05% - 0.20%
Transmittance	Min. 95.0%
Shelf Life	24 months
