Product Description

Green Tea Beverage Flavour

Premium water-soluble liquid flavouring that reproduces the fresh, clean, and slightly grassy character of brewed green tea. This refined profile balances delicate green-tea freshness with soft vegetal notes and a subtle sweet finish, capturing the authentic taste of quality green tea beverages.

Key Features

- **Fresh Green Tea Profile:** Clean green-tea freshness with soft vegetal notes and subtle sweet finish
- **Water-Soluble Liquid Form:** Readily miscible in water, carbonated bases and syrups without clouding or sedimentation
- **High Concentration, Low Dosage:** Concentrated formulation delivers full-bodied flavour at 0.05% to 0.20% dosage
- **Excellent Stability:** Heat-stable and shelf-stable, retaining aroma and taste throughout product shelf life
- **Food-Grade & Certified:** Manufactured to strict standards with ISO22000, HACCP, KOSHER and HALAL certification
- **Customizable (OEM/ODM):** Flavour strength, sweetness balance and aroma notes tailored to your specific requirements
